## **Returns:**

### **8: Zafira bint Miriam -New Device**

*Per pale purpure and sable, a doumbek, within a bordure argent.*

This device must be returned for visual conflict with the registered device of Elinor du Pont, registered in October of 1988 via the Outlands: *Per chevron sable and vert, a goblet within a bordure argent.*

While there is a Distinct Change(DC) for the field, many commenters felt that the doumbek as drawn looked too much like a goblet to be easily distinguished.
