Or, a dragon passant vert maintaining a sheaf of arrows azure, a bordure counter-compony vert and argent.

This was penned for a redraw on the misassumption of Golden Dolphin's part that the style of counter-company was no longer allowed as it is not found in period. Upon resubmission it was found that no rule on this is currently in place. There for, the original design and the choice the submitter picked for replacement bordure is forwarded to Laurel for decision.
