### Acceptances:

#### 1. Elizabeth Riverwood - Resub Badge

(Fieldless) An otter rampant regardant maintaining an oak sprig fructed vert.

It was panned, determined that the acorn slipped and leaved vert was to small to be identifiable. Submitter approved redraw to resize acorn slip via email

#### 2. Kálfr inn kaldráði - Resub Name

This is a resub for the original submitted name Kalf Calder who ask if we could find a more authentic Norse name. The suggestion for a more authentic Norse name was brought up during the review. I contacted the client who agreed to the new name via email. It was further researched for style and conflict during time the accompanying device was pended for a redraw.

3. Kálfr inn kaldráði - Resub Device

Gyronny argent and azure, in pale a three-footed pot sable and a salamander sable enflamed proper

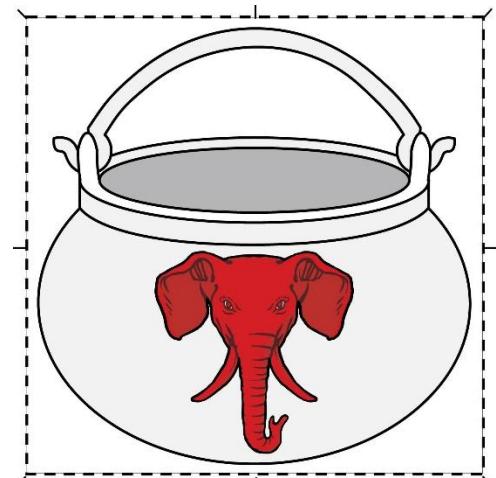

This a kingdom level resub for drawing correct to make the flames proper instead of gules, allowing more contrast for the device.

This badge was pended so it could accompany the current submitted name.
